Full details of criteria for each class of membership is contained on the **Qualifications and Rights for Classes of Membership** available at www.aicla.org. **Elevation to all classes requires CPD** (Continuing Professional Development) accreditation.

The most highly qualified members of AICLA are **Fellows** and **Associates** who may use the term **Chartered Loss Adjuster**. These members have specific loss adjusting qualifications and broad experience in the profession. **Provisional** membership is the entry level and these members are expected within three years of joining the Institute to progress to the level of **Affiliate**. **Information on the Diploma of Loss Adjusting is available at www.theinstitute.com.au**.
