ABOUT THE EVENT

The theme for the event is **'Claims in a Post-pandemic World'**. This will be the first ACC since Cambodia in April 2019, and we are expecting, based on interest shown to date, a record number of attendees.

The exciting program will examine the challenges facing those in Insurance Claims and look at the best practices across the industry with a focus on Asia.

The comprehensive event will encompass a Cocktail Function, two day Convention and Gala Dinner. The event offers an unmatched opportunity to develop and enhance relationships and share insights from leading professionals from a wide range of fields.

The presentations will be highly topical and relevant in a dynamically changing global insurance market.
