TRADITIONAL CLAIMS MANAGEMENT IN A DIGITAL AGE

ABOUT THE EVENT

Following the outstanding success of the past two Asian Claims Conventions we are pleased to announce that ACC25 will be held in Osaka Japan. The theme for the convention is **Traditional Claims Management in a Digital Age** and a high quality program is being developed for what we expect to be the most popular ACC in the history of the event.

The exciting program will examine the challenges facing those in Insurance Claims and look at the best practices across the industry with a focus on Asia.

The comprehensive event will encompass a Cocktail Function, two day Convention and Gala Dinner. The event offers an unmatched opportunity to develop and enhance relationships and share insights with leading professionals from a wide range of fields.

The presentations will be highly topical and relevant in a dynamically changing global insurance market.
